

This response was received through an online questionnaire

Contact information

Please provide the contact information of the person responsible for answering this questionnaire.

1. Country (or organization):

United Republic of Tanzania

2. Department/Division/Unit

Permanent Mission of the United Republic of Tanzania to the United Nations

3. Name of contact person:

[REDACTED]

4. Title:

[REDACTED]

5. Email:

[REDACTED]

6. Does your country (or, does your organization) agree with the imposition of unilateral economic measures as instruments of political and economic coercion against developing countries?

☐ Yes

☒ No

7. Please provide a brief explanation for your answer to question 6:

*max. 2000 characters*

Tanzania opposes the use of unilateral coercive measures against any UN Member State because they restrict countries' abilities to achieve their full development potential. Furthermore, such restrictions run counter to the principles of international law, fundamental human rights, and the spirit of multilateral cooperation.

Please enter at most 2000 characters

8. Has your country been affected by (or, has your organization observed countries been affected by) unilateral economic measures during the period 2021-2023?

☐ Yes

☒ No (please go to Question 11)

9. If yes (question 8) please explain target countries, the nature of the measures, country imposing the measures, dates when measures were imposed, and whether the measures are still binding.

*max. 2000 characters*

Please enter at most 2000 characters

10. If yes (question 8) please briefly describe the impact of the unilateral economic measure(s) on the country, including on its achievement of sustainable development and trade.

*max. 2000 characters*

Please enter at most 2000 characters

11. Please include any additional comments and suggestions.

*max. 1000 characters*

Unilateral economic measures used as a means of political and economic coercion against developing countries should be avoided. Instead, constructive dialogue and engagement should be promoted as the preferred means of addressing differences.
