4 countries mention
concrete actions

for at least

7 targets

Turkey, United Kingdom,
Indonesia, Rwanda

Turkey

- Achieved ODA/GNI ratio of 1.1% by 2018, which is above the SDG target of 0.7%.
- Committed funding contribution of US\$ 2 million annually for 2017-2021 to the UN Technology Bank for the LDCs.
- Funded 24 institutional capacity building projects in 7 LDCs (Afghanistan, Gambia, Mozambique, Sudan, Uganda, Burkina Faso and Mali).

Rwanda

- Funded a public-private partnership investing close to USD 1.5 million to establish an e-waste recycling facility.
- Promotes industrialization and attaining a structural shift in the export base to high-value goods and services with the aim of growing exports by 17 percent.

Mauritius

- Signed 14 Investment Promotion and Protection Agreements with LDCs as of December 2018.
- Created a partnership with the IMF to set up two regional capacity-building institutions – the Regional Technical Assistance Center for Southern Africa and the Africa Training Institute.
